

Dear families,

Educational travel exposes students to new people, places, and cultures which in turn expands their knowledge of the world and their knowledge of themselves. That's why we are thrilled to bring this opportunity to your family and our community.

This trip will fill up fast, so please read below to learn more:

- How this opportunity will benefit your child
- What we'll see and do on our trip
- Everything that's included in this experience
- How your child can earn academic credit
- How we're keeping this safe and affordable
- How to enroll on this trip (before it fills up!) during EF's risk-free enrollment period

These trips are an incredible opportunity for our students to explore a new country, culture, and language, and we can't wait to see them discover more about themselves, gain leadership skills, and grow more confident in the process.

Space is limited and comes on a first-come, first-serve basis for this trip. Our group had reserved spots and we have begun to fill these spots! Many of you indicated that you plan to enroll your students. Please be sure to sign up as soon as possible!

This is a once-in-a-lifetime opportunity for students to experience more of the world, connect with another culture, and discover more about themselves in the process. It's also going to be tons of fun!

You can also view the [Parent Guide to Travel](#) from EF Educational Tours, our travel partner. It covers everything from details about EF to options for high school and college credit to payments plans and what to expect on tours. We recommend you take a look. We are so excited for this international tour with students and the Parent Guide reminds me why we chose to lead this tour with EF – you can tell they have the details covered and have done this many, many times before. They take their responsibility to keep your children safe very seriously. We will travel with a full time (24/7) tour director, you will have access to 24-hour emergency hotline, and EF has local staff all around the world. EF also offers a Peace of Mind Policy that ensures we have the flexibility to change our itinerary if it becomes necessary.

Please don't hesitate to contact us if you need more information. We want as many students as possible to take part in the tour. It's going to be a highlight of their entire school experience.
