

Good Evening Richey Families,

By now you know Red Clay has “paused” all face to face learning and students will be remote beginning Monday, December 7th. **Students should not report to the building on Monday.** Your family will receive information today instead of Sunday.

- **Accelerated Learning Program-** There is no change in your child’s program, the amount of time students will experience daily or conference times.
- **Current Remote/Zoom Students-** There is no change in your program. They will maintain their current teacher and schedule. These students are not permitted to “switch” teachers. They must keep their current zoom homeroom assignment.
- **Face-to-Face Students-** These students are now remote/zoom students and will have their current teacher. Students will have their face-to-face teacher on zoom. Your child’s teacher’s current homeroom teacher will share the zoom link and student schedule through DoJo prior to Monday. Please make sure you reestablish your child’s learning spot.

Families do not have the option to switch zoom teachers.

All Richey Students: Wednesday, is still an asynchronous day. (Independent student activities and small groups per teacher request.)

Go to the website for timelines and information. <https://www.redclayschools.com/choice>

Thank you in advance for doing all you can to keep your child(ren) focused during remote learning. We will miss seeing our students face-to-face, but Mr. Johnson and I look forward to remaining connected to our families despite this interruption.

Mrs. Armstrong
