

RED CLAY CONSOLIDATED SCHOOL DISTRICT
ADMINISTRATIVE MEMORANDUM

INVITATIONS TO PUBLIC OFFICIALS OR POLITICAL CANDIDATES | 3001.7

When inviting public officials or political candidates to attend or participate in District events, administrators must safeguard against the perception that the District supports one political party over another. Because equal support should be granted to all candidates, administrators should ensure that representatives from all parties are provided equal opportunities to preside over District events.

Questions about the information contained in this administrative memorandum should be directed to the Superintendent.
