

RED CLAY CONSOLIDATED SCHOOL DISTRICT  
**ADMINISTRATIVE MEMORANDUM**

---

USE OF SCHOOL DIVING BOARDS | 5012.5

The following requirements shall be in place for all users of District diving boards, both for physical education classes, swim teams, and outside groups/organizations.

1. The diving board at McKean High School may be used for supervised swim team practice and interscholastic competition only.
2. All other pool users are prohibited from using the diving board at any time.
3. During the period of time when the diving board is not being used for supervised swim team practice or scholastic competition, it is to be in an up and locked position to prevent any diving or jumping off of the board.
4. All swim team coaches are required to participate in a diving clinic approved by the principal.
5. Diving is authorized to be included as a competitive event in high school swim meets and to be counted in the total swim meet score.

Questions about the information contained in this administrative memorandum should be directed to the Director of Secondary Schools.
