

RED CLAY CONSOLIDATED SCHOOL DISTRICT
ADMINISTRATIVE MEMORANDUM

CONCUSSION PROTOCOL | 8010.1

Due to the uncertainty surrounding concussion recovery time and long term consequences due to concussions, all Red Clay schools will be conservative in dealing with this potentially dangerous issue.

All middle and high schools:

1. Ensure that all coaches, nurses and PE teachers view and certify that they have watched the Concussion Video from NFHSLearn. ^{[[1]]}_{SEP}
2. Provide Concussion Information to Players and Parents at Preseason Athletic Nights. ^{[[1]]}_{SEP}
3. Ensure that a minimum of the following occurs post-concussion: **
 - a. Parents advised of need for medical intervention. ^{[[1]]}_{SEP}
 - b. Parents advised of procedures for return to the activity. ^{[[1]]}_{SEP}
 - c. Teachers of concussed student notified and any accommodations noted. ^{[[1]]}_{SEP}
4. Participate in ImPACT Testing for a minimum of the following sports: ^{[[1]]}_{SEP}

Football

Boys/Girls Soccer ^{[[1]]}_{SEP}

Boys/Girls Volleyball

Field Hockey ^{[[1]]}_{SEP}

Fall Cheerleading B

Boys/Girls Basketball

Wrestling ^{[[1]]}_{SEP}

Winter Cheerleading

Baseball ^{[[1]]}_{SEP}

Softball ^{[[1]]}_{SEP}

Boys/ Girls Lacrosse

Boys/Girls Track and Field

Questions about the information contained in this administrative memorandum should be directed to the Director of Schools.

** Note that for number 3, the protocols are for sport or non-sport concussions.
