

Virtual Schedule

Dear Families,

The link below shares our current "virtual" schedule. We share this as a general guide of what we, as a staff, are doing during this time to help ensure that learning continues. Individual teachers have established "office hours" to communicate with families, deliver Zoom lessons/meetings, etc. to help allow families plan to assist their students in maintaining some continuity. This information will come directly from your child's teacher via his/her normal methods of contact. Should you have questions, you can reach out to your child's teacher directly. If you need further assistance you may contact us.

Stay safe, stay healthy and stay PROUD to be a #Lion!

Mrs. Brady and Ms. Lougheed
