

*For Parents: What is **Clever** ?*

Clever is an easy way for your student to access all of the learning applications they use at school. Students access all of their learning applications with a single username and password, or by using a Clever Badge. Clever makes it easier for students to log on so that they have more time to learn and teachers have more time to teach.

*How does my child access **Clever** ?*

1. Go to clever.com/in/red-clay or click the Clever link from your school's website.
2. Log in with your Red Clay Google Account Credentials.
3. Access your favorite applications like DreamBox, myON, OverDrive, and Discovery Education!

For more details or log on information, contact your child's teacher.
