

# WeVideo in Red Clay

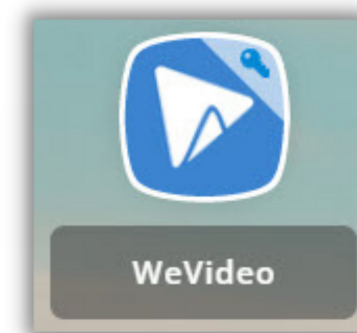

Teachers and students in grades 6-12 have access to WeVideo!

1

Log into ClassLink with your Red Clay credentials.

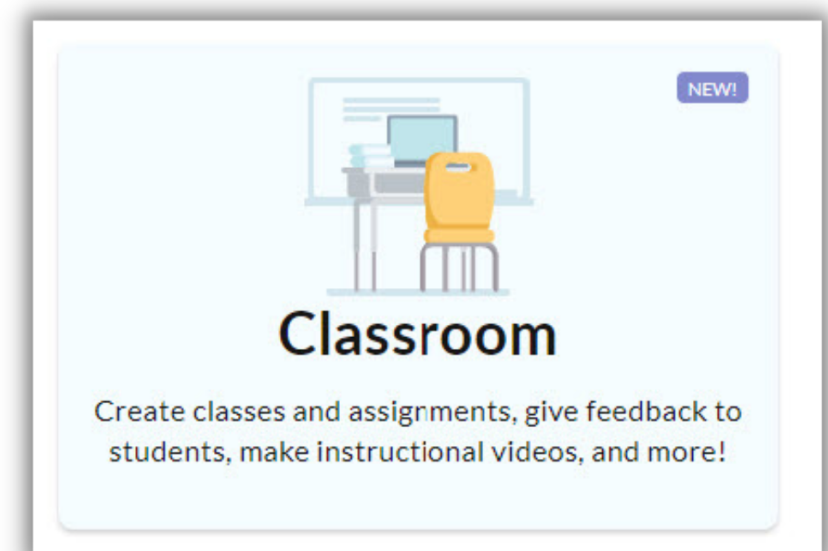

2

Click the WeVideo tile.

3

Click the Classroom tile.

4

Create your Courses.

5

Open a Course and click the People tab. Share the student invite link in Schoology. Students click the link to easily join your WeVideo course.

6

Create and Publish an assignment for individual students or groups to complete.
