## Parental Request/Permission to Have Medication Administered in School

If it is necessary for your child to receive medication during the school day, please do the following:

- Send the medication to school with a responsible individual if you are unable to take it to school.
- Send the medication in the original container. If a prescription, the container must be properly labeled with correct name, time, dose, date, and prescribing licensed healthcare provider.
- Count the tablets (unless the number of tablets is the exact number on the label) or approximate amount of liquid in the bottle.
- · Pick up the medication from school at the end of the school year.
