

Dr. Joseph E. Johnson Elementary School

Hello Johnson Family, Friends, and Community Members,

It's my pleasure to join the Wildcat family as the new Assistant Principal of Dr. Joseph E. Johnson Jr. Elementary School. I am Dr. Danya Tiara Woods and thank you for the opportunity to serve and support your children and the entire school community. Like Dr. Johnson, as a proud alumnus of the Howard High School of Technology, I am excited to serve our school community. This upcoming 2023-2024 school year marks my 12th year in education and 5th year in the Red Clay Consolidated School District.

I firmly believe that education is the cornerstone of life. I, too, believe that our influence extends beyond the walls of the classroom as we aim for “**excellence for every child, every minute, every day**”. With your support, we are committed to cultivating an environment where your children can succeed and grow through our school-wide values, “be respectful, be responsible, and be ready”. Together, we can foster an environment where excellence is embraced, creativity is nurtured, and every child can flourish.

I look forward to meeting and working with each of you in the months and years to come. Let’s work together to make this a great year for Johnson Elementary School!

Your Partner in Education,

Dr. Danya Tiara Woods
Assistant Principal
