PREAMBLE

This Agreement is entered into this 1st day of July, 2023 by and between the Board of Education of the Red Clay Consolidated School District, hereinafter called the "Board," and the Delaware Public Employees Council 81 and its affiliated Local No. 918 of the American Federation of State, County, Municipal Employees, AFL-CIO, County of New Castle and State of Delaware, hereinafter referred to as the "Union."

ARTICLE 1 PURPOSE

The purpose of this Agreement is the recognition of the rights and responsibilities of the parties concerned and the formulation of procedures by which both parties may work together in good faith with regard to all matters pertaining to this Agreement: To this end an Employer-Employee Relations Committee, which shall handle all safety matters, is herewith created.

Regular meetings shall be held at least quarterly or upon request of either party. Requests shall not be denied unreasonably.

This committee shall be composed of 3 representatives named by the Union and 3 representatives named by the Superintendent.

The parties will exchange agenda one week prior to these meetings.

Discussion of items by this Committee does not extend the time limits for grievances as required in Article 4.

An issue(s) originating in a building shall be discussed with the appropriate supervisor by the employee before it is discussed by this Committee.

Minutes of the issues and conclusions reached at these meetings will be sent to the Committee members.

The Board further agrees that pursuant to and consistent with Chapter 13, Title 19 Delaware Code, it has an obligation to negotiate with the Union as the representative of employees hereinafter designated.

ARTICLE 2 RECOGNITION

- 2:1 The employer recognizes the Union as the sole and exclusive bargaining representative for the employees covered by this Agreement for the purpose of representing public employees in their employment relations with the public employer in matters covering wages, salaries, hours, vacations, sick leave, grievance procedures, and other terms and conditions of employment.
- 2:2 The term "employee" as used herein shall include all custodial employees exclusive of administrative and supervisory personnel. It is further understood that only the following classifications in the Red Clay Consolidated School District are included as custodial employees in the bargaining unit as established herein: All custodians; custodian firemen; chief custodian II's; chief custodian I's; couriers; maintenance custodians A, B, and C; which classifications succeed the job titles in the appropriate Department of Labor certification and date.
- 2:3 The term A Board, as used hereinafter, shall mean the Red Clay Consolidated School District Board of Education.
- 2:4 The term A bargaining unit, as used hereinafter, shall mean that group of employees proper to, and covered by, this Agreement.
- 2:5 The term A school as used in this Agreement means any of the buildings maintained by the Board of Education in which the educational process is carried on.
- 2:6 Wherever the term A principal is used, it is to include the responsible administrative head of a school building.
- 2:7 Wherever the term A supervisor is used, it is to include the administrator of any work location or designee.
- 2:8 The inclusion or exclusion of a newly-formed position shall be submitted to the Department of Labor, State of Delaware for determination.
- 2:9 If during the life of this Agreement any administrative rules or regulation or Board policy shall be inconsistent with the provisions of this Agreement, the Agreement during its life shall be controlling over the inconsistent language in such administrative rules and regulations or Board policy.
- 2:10 If any provision or any application of this Agreement to any employee or group of employees is held to be contrary to law, then such provision or

Application shall be invalid; but all other provisions or applications of this Agreement shall continue in full force and effect.

2:10.1 The Union and the Board shall meet promptly to renegotiate the invalidated provision(s) of this Agreement.

ARTICLE 3 UNION SECURITY

3:1 Deduction of Union Dues or Service Fees

The employer agrees to deduct the monthly Union membership dues from the earned wages of each employee covered by this Agreement. Such deduction shall be made after the employee executes the appropriate written form enclosed in their new hire packet. On or before the first (1st) of each month the Union shall deliver to the District additional executed authorization forms under which Union membership dues for the current month are to be deducted. Dues deductions shall be made from the semimonthly payroll. Such deductions for Union dues are to be transmitted each month by the District, with a list of those from whom such deductions have been made, to the duly elected Treasurer of Local 918, not later than the tenth (10th) of the following month. The Union will notify the employer thirty (30) days prior to any change in dues.

3:2 The Union shall indemnify and hold the employer harmless against any and all claims, demands, suits and other forms of liability that shall arise out of or by reason of any action taken or not taken by the employer for the purpose of complying with any of the provisions of this collective bargaining agreement.

ARTICLE 4 GRIEVANCE PROCEDURE

4:1 A grievance shall be defined as a written claim by an employee that the terms of this Agreement, official written policy of the Board of Education, or written administrative rules and regulations relating to salaries, employee benefits, and/or working conditions have been violated, misinterpreted, or misapplied resulting in the abridgement of rights granted to the employee by such documents. A grievance may also be defined as a written claim by the Union

that the terms of this Agreement, official written policy of the Board of Education, or written Administrative rules and regulations relating to salaries, employee benefits, and/or working conditions have been violated, misinterpreted, or misapplied resulting in the abridgement of rights granted to the Union by such documents.

4:1.2 A grievant is the employee, employees, or organization who files a grievance as provided for under this Agreement.

4:1.3 A class grievance is a grievance filed by the Union which asserts an effect on a group or class of employees. Any such grievance shall contain sufficient information to clearly identify the aggrieved employees.

4:1.4 A continuing grievance is one in which the act complained of is repeated. A single occurrence, even though the effect may continue, must be filed within the time limits to be processed as a grievance.

4:2 Grievance proceedings will be kept as informal as may be appropriate at any step of the procedure.

4:3 Days as used in this article shall mean workdays unless otherwise specified.

4:4 Timeliness

4:4.1 All grievances to be considered under Article 4 must be initiated in writing at Step One within ten (10) days from the time of the incident giving rise to the grievance or the time the employee or the Union should reasonably have known of the incident.

4:4.2 Claims under this Agreement, including claims for back wages, shall be valid for a period of no more than sixty (60) calendar days prior to the date the grievance was first filed in writing with the employer; however, with respect to payroll calculation errors in payroll computations, said claim may go back to the beginning of the fiscal year in which the grievance is filed.

4:4.3 All grievances should be processed as rapidly as possible; the number of days indicated at each step will be considered a maximum and every effort will be made at each step to expedite the process.

4:5 Failure at any step of this procedure to communicate the decision on a grievance within the specified time limits shall constitute authority to proceed to the next step. Failure at any step of this procedure to appeal a grievance

to the next step within the specified time limits shall be deemed to be acceptance of the decision rendered at that step, except where time limits are extended by mutual written agreement of the parties.

- 4:5.1 Grievance proceedings are to be scheduled by the parties during the grievant's work time whenever possible. Persons to be present shall suffer no loss of pay. In the event of a dispute whether a person is proper to be present at the grievance, such dispute shall be subject to resolution through the grievance procedure.

4:6 Specific Procedures

- 4:6.1 An employee having a complaint or a problem shall, together with his/her steward, discuss it orally with his/her immediate supervisor. The immediate supervisor shall respond to the employee's complaint no later than the end of the employees next work shift.
- 4:6.2 If the employee's complaint is unresolved at the informal step and is a proper subject for grievance under the definition set forth herein the issue may be processed as follows:
- 4:6.3 STEP 1 – The grievance shall be reduced to writing, dated and signed by the employee and steward.

The grievance shall set forth the nature of the grievance, the remedy sought, and the specific provision of the agreement, the Board policy, or the administrative rules and regulations alleged to have been violated.

The Union shall forward the grievance to the employee's immediate supervisor within the time limits established herein.

The principal or immediate supervisor shall meet with the steward together with the employee within five (5) days of receipt of the written grievance to attempt to resolve the grievance. The principal or immediate supervisor will communicate the decision in writing to the steward and the employee within ten (10) days after the close of the meeting.

- 4:6.4 STEP 2 – If the grievance is not satisfactorily resolved at Step One, it may be appealed to the Director of Human Resources or designee within ten (10) days of the decision at Step One.

The Director of Human Resources shall meet with the chief steward together with the employee within five (5) days of receipt of the written appeal to attempt to resolve the grievance. The Director of Human

Resources or designee will communicate the decision in writing to the chief steward and through the chief steward in writing to the employee within ten (10) days after the close of the meeting.

- 4:6.5 STEP 3 – If the grievance is not satisfactorily resolved at Step Two, it may be appealed within ten (10) days with the Superintendent or Superintendent's Designee to mediation with the Federal Mediation and Conciliation Service.

4:7 Submission to Arbitration

- 4:7.1 If the grievance is not satisfactorily resolved at Step 3 herein and if the grievance pertains to a violation of a specific provision(s) of this Agreement between the Board and the Union, the Union shall advise the Superintendent of its desire to proceed to arbitration within fourteen (14) calendar day of the decision at Step 3. The Union must file a request for arbitration with the American Arbitration Association (AAA) within 30 days of its notification to the Superintendent of intent to proceed.

- 4:7.2 No claim shall constitute an arbitrable matter or be processed through arbitration if it pertains to:

- (a) a matter where a specific method of remedy or appeal is prescribed by law;
- (b) any rule or regulation of the State Department of Public Instruction; however, failure to equitably apply such rules or regulations may be arbitrable;
- (c) any matter which according to law is either beyond the scope of Board authority or which the Board may not delegate; and
- (d) dismissal of a probationary employee.

Items (a) through (d) above, although not arbitrable, shall be appealable through the grievance procedure, within fifteen (15) days of the Superintendent's decision to the Board which shall at its option hold a hearing concerning the matter or determine the matter on the basis of the written record. The Board shall render its decision within thirty (30) days of the date of the filing of the appeal to the Board.

- 4:7.3 Appeals to arbitration where other procedures of appeal are available shall operate as a waiver of any such alternative method of appeal and such appeal shall be signed by the Union and the employee involved.

- 4:7.4 The parties will attempt to file a joint statement to the AAA, which shall state in reasonable detail the nature of the dispute and the remedy requested. The parties shall be bound by the rules and procedures of the AAA in the Arbitration proceedings, except as this Agreement shall otherwise provide.
- 4:7.5 If the Superintendent disagrees as to the arbitrability of the dispute, the Superintendent shall convene a meeting, within ten (10) days of the request to proceed to arbitration, with the Director of Council 81 and the local Union president in an effort to resolve the differences between the parties.
- 4:7.6 If the disagreement over arbitrability persists, the arbitrator appointed under the procedures set forth herein shall rule upon the question of arbitrability prior to hearing the merits of the dispute in question. The arbitrator shall then proceed to hear the dispute on its merits or schedule a subsequent hearing if requested by either party.

4:8 Arbitration

- 4:8.1 The parties may attempt to file a joint statement to the American Arbitration Association, which shall state in reasonable detail the nature of the dispute and the remedy requested. The parties shall be bound by the rules and procedures of the American Arbitration Association in the Arbitration proceedings, except as this Agreement shall otherwise provide.

4:8.2 Procedure

- 4:8.3 The arbitrator selected shall confer with the representatives of the Board and the Union and hold hearings promptly and shall issue a decision not later than thirty (30) calendar days from the date of the close of the hearings or, if oral hearings have been waived, then from the date the final statements and proofs on the issues are submitted to him. The decision of the arbitrator shall be submitted to the Board and the Union.
- 4:8.4 The arbitrator's written decision shall not amend, modify, nullify, add to or subtract from the provisions of the Agreement. The decision must be based solely and only upon the arbitrator's interpretation of the meaning or application of the express provisions of the Agreement.
- 4:8.5 The decision of the arbitrator shall be binding upon the parties.

4:9 Cost of Arbitration

4:9.1 The costs for the services of the arbitrator, including per diem expenses, if any, and actual and necessary travel, subsistence expenses, and the cost of the hearing room shall be borne by the losing party. Any other expenses incurred shall be paid by the party incurring same.

4:10 Miscellaneous

4:10.1 A form for filing grievances shall be prepared jointly by the Union and the Administration, reproduced by the Administration, and distributed to the Union so as to facilitate operation of the grievance procedure. Such form shall be attached as Appendix D of this Agreement.

4:10.2 If, in the judgment of the Union, a grievance affects a group or class of employees or the Union the grievance shall commence at a step appropriate to the occasion giving rise to the grievance.

4:10.3 Meetings or hearings at any step of the grievance procedure may be waived by mutual agreement of the parties.

4:10.4 It is understood that the Union shall process all appeals and receive all decisions concerning grievances. Additionally, representatives of Council 81 or AFSCME shall be permitted to participate in all grievance meetings beginning with Step One.

4:10.5 Grievances relating to suspension or discharge may be initiated at Step Two of the grievance procedure.

4:10.6 It is understood that management may be represented at all steps of the procedure by a number of personnel equal to the number appearing on behalf of the Union, including the grievant.

4:10.7 Whenever the terms Director of Human Resources, Superintendent, or Director of Council 81 are used in this article it is understood by both parties that a designee may be named to act on behalf of such individuals.

4:10.8 The District shall provide the Union with copies of all grievances and written decisions at each step.

**ARTICLE 5
NO STRIKE PROVISION - NO LOCK OUT**

5:1 The Union agrees that during the period of this Agreement, it will not, nor will any person acting in its behalf overtly cause, authorize, or support a strike arising as a result of disputes over interpretation of this Agreement or any other

matter over which the Board has jurisdiction. The Board also agrees that it will not lock out employees for the duration of this Agreement.

ARTICLE 6 RIGHTS OF THE PARTIES

- 6:1 The Board agrees to make available to the Union upon reasonable written request budgets, reports, statistics, information and records necessary for negotiations to the extent to which such information is in the public domain.
- 6:2 Administrative directives, which are not confidential, to administrative and supervisory personnel and which affect the employment relations of employees shall also be mailed to the Union President at the time of the issuance or posting of the directive.
- 6:3 The employer recognizes and agrees to deal with the accredited Union stewards and Union President or representatives in all matters relating to grievances and the interpretation of the Agreement.
- 6:4 A written list giving the names of the stewards, the chairman of the grievance committee, the President of the Union, the Executive Vice-President, Executive Secretary, Executive Treasurer, Area Vice-President, and Secretary-Treasurer of the Union shall be furnished to the employer immediately after their designation and the Union shall notify the employer promptly of any changes in such list.
- 6:5 Accredited representatives of the Local, State, and National Union shall be permitted to transact official Union business on school property at all reasonable times. The Union representative shall obtain approval of the principal of the building or other person in charge of the building which the representative is visiting by reporting to the official. Such access shall not be unreasonably denied.

- 6:6 Whenever members of the bargaining unit are mutually scheduled to participate in negotiations during working hours, they shall suffer no loss of pay, provided that no more than four (4) custodial personnel are scheduled to participate.
- 6:7 The union shall have the right to use school buildings for Union business on the same basis as other school affiliated organizations in accordance with District policy.
- 6:8 The union may use the school and District inter-office mail system and bulletin board space for posting notices in areas readily available to employees and assigned for the dissemination of information by means of notices, circulars, or other similar materials pertaining to Union business under the following provisions:
- (a) the material must identify clearly the individual(s): and/or organization responsible for the information contained therein;
 - (b) a copy of the material for general distribution or an opportunity to copy material being distributed must be given to the building principal or designee prior to or at the time of posting or dissemination in that building. If the material is to be distributed or posted system-wide, a copy also must be furnished to the Superintendent or designee prior to or at the time of posting or dissemination; and
 - (c) the mail system and bulletin boards may not be unreasonably used so as to interfere with the normal business of the school.
- 6:9 The Union shall have the right to use school facilities and equipment in place by qualified operators, including typewriters, mimeographing machines, other duplicating equipment, calculating machines and all types of audio-visual equipment at reasonable times, when such equipment is not otherwise in use. The Union shall pay for the reasonable cost of all materials and supplies incident to such use, and for any repairs necessitated as a result thereof. Prior approval shall be obtained from the building principal where the equipment is located.
- 6:10 No employee shall be prevented from wearing official pins or insignias of the Union or its affiliates.
- 6:11 Whenever any employee is required to appear before the Board or an agent of the Board, i.e. Human Resources Administrator, Assistant Superintendent, Superintendent, concerning any matter which could adversely affect the continuation of that employee in his/her position or employment or the salary

or any increments pertaining to salary, then he/she shall be given written notice of the reasons for such interview 48 hours prior to the date of said hearing and shall be entitled to consult with and have a Union representative to advise and represent him/her during such meeting or interview.

6:12 No employees shall be disciplined, reprimanded or reduced in pay except for just cause. Any such action will be considered with due regard to privacy.

6:12.1 No employee shall be given a written reprimand, nor have disciplinary action taken against him/her, without just cause. Any such action will be considered with due regard to privacy.

The progression of discipline for infractions may be:

- Documented Verbal Warning by Chief (Not to be placed in HR file)
- Written Warning by Chief Authorized by Department Supervisor
- 48 Hour Meeting: Written Warning w/ an include Improvement Plan from Department Leader
- Recommendation to HR for up to Five (5) days Suspension
- Recommendation to HR for Further Discipline Up to Termination

The extent of disciplinary action taken for serious infractions shall be commensurate with the offense. Discipline may be imposed within fifteen (15) working days of the District's knowledge of the infraction unless the employee is on a leave of absence or under investigation for the alleged infraction.

6:12.2 Disciplinary material older than 24 months shall not be relied upon for subsequent discipline, provided that the employee has received no similar disciplinary material during that 24-month period. Such discipline material 24 months or older shall be, at the request of the employee, removed from the employee's personnel file. This provision shall not apply to arrest records involving serious matters or other material where the District is legally prohibited from removing materials. In the event an employee raises his or her disciplinary record in a grievance hearing, the District may rely on any and all discipline.

6:13 The Red Clay Consolidated School District Board, hereby retains and reserves unto itself, all powers, rights, authority, duties and responsibilities conferred upon and vested in it by the laws and the Constitution of the State of Delaware and of the United States, and including, but without limiting the

generality of the foregoing, the right:

To exercise executive management and administrative control of the school system, its properties and facilities and direct the work activities of its employees;

To hire all employees and, subject to the provisions of law, to determine their qualifications, and the conditions for their continued employment or for cause their dismissal or demotion, and to promote, place, transfer, and assign all such employees; dismissal or demotion of probationary employees does not have to be for just cause; and the exercise of the foregoing powers, rights, authority, duties and responsibilities by the Board, the adoption of policies, rules, regulations and practices in furtherance thereof, and the use of judgment and discretion in connection therewith shall be limited only by the specific and express terms of this Agreement and then only to the extent such specific and express terms hereof are in conformance with the Constitution and laws of the State of Delaware, and the Constitution and laws of the United States.

The administration will discuss relevant changes in all proposed policies, rules, regulations, and practices prior to implementation.

- 6:14 Nothing contained herein shall be considered to deny or restrict the Board of its rights, responsibilities and authority under the Delaware School Laws or any other national, state, county, district, or local laws or regulations.
- 6:15 In a bona fide emergency affecting the health, safety or welfare of the students of the District, the Board or designee may take appropriate action.
- 6:16 The Agreement will be maintained in an online format through the District Intranet. The Board shall provide the Union thirty (30) copies.

ARTICLE 7 SENIORITY, LAYOFF AND RECALL

- 7:1 The term seniority as used in this Agreement shall be calculated at the length of continuous service in a custodial position in the District. For transition purposes seniority shall be counted from the date of the employee's most recent appointment by the New Castle County School District or in the component district in which he/she was employed in 1977-78.
- 7:2 In the event of part-time service in a position covered by this bargaining unit, such service shall be credited toward seniority on the following basis: persons working twenty (20) hours or more per week but less than thirty (30) hours per week will be credited with one-half credit for the period that such a schedule was worked. Thirty (30) or more hours per week will be credited as full-time

service toward seniority.

7:3 The Human Resources Office shall annually publish a list of all employees by classification in seniority order. This list shall be posted in each building by January 15 of each year. Employees who wish to appeal their placement on this list must do so in writing to the Human Resources Office before February 15 of the year the list is published. A final list shall be posted by March 15 each year. An employee's failure to question prior to February 15 his/her placement on the first list posted, will preclude the assertion of incorrect placement in challenging any subsequent actions having to do with seniority. Once an appeal has been adjusted, no further appeal for the same reason will be honored.

7:4 An employee shall lose his/her seniority and all rights thereto under this Agreement for the following:

- (a) resignation or discharge for just cause (and the discharge is sustained);
- (b) retirement;
- (c) failure to return to work from a leave of absence or failure to notify the District of intent to return to work within the specific time requirements;
- (d) failure to respond to proper recall notice or laid off for more than two years; and
- (e) absent for three consecutive work days without proper notification to the administration. This item shall be waived if the employee submits evidence of extenuating circumstances.

7:5 Probationary Period

7:5.1 New employees shall serve a probationary period of ninety (90) work days which may be extended an additional ninety (90) work days with written notification to the employee and the Union.

7:5.2 Upon satisfactory completion of the probationary period the employee's seniority shall be established as the date of hire including continuous reported time employment.

7:5.3 If there is continuous service in the district in the capacity of a reported time and such employee becomes a permanent employee without a break in service, such all employee's service as reported time shall be counted toward seniority.

7:6 Layoff

7:6.1 Permanent employees of the District as of July 1, 1978, will be maintained in their employment for the life of this Agreement, unless they are terminated for cause or laid off as a result of reductions necessary because of building closings. In the event of the building closings, the reduction to be made will be discussed with the Union prior to implementation. All other reductions in size of the permanent work force in existence on July 1, 1978, will, for the life of this Agreement, be by attrition. This shall not apply to any employee hired after July 1, 1978 who shall be subject to the layoff and recall procedures set forth hereafter.

7:7 If a reduction in force is necessary beyond normal attrition, the Superintendent shall determine the number of positions to be reduced, as well as, the date such reductions are needed and shall apprise the President of the Union of this information fourteen (14) working days prior to the effective date of the reductions.

7:8 In the event of reduction in force in any school or schools probationary, casual and temporary employees shall be terminated before permanent employees are laid off. Thereafter the employee with the least classification seniority in the affected classification (s) shall be subject to such layoff. Such employee, if his/her district seniority in the bargaining unit is greater than the district seniority of other employees in the bumping group and provided he/she is qualified to perform the work as required by this Agreement to perform the work, shall have the right to replace the employee with the least seniority in the bumping group.

7:8.1 The parties agree that for the purpose of reduction in force, the following is the hierarchical order of classifications within the bargaining unit.

(a) Group I:
Maintenance A
Maintenance B
Maintenance C
Couriers
Custodian/Maintenance

(b) Group II:
Chief I
Chief II
Custodian/Fireman
Pool Custodians
Groundskeepers

Custodians/Building

There will not be any cross bumping from one group to another group.

- 7:9 The provision of 7:6 shall not, as an alternative to layoff, preclude reclassification of an employee to the next lower classification, for which he/she has sufficient seniority.
- 7:10 An employee exercising his/her right to be transferred to the same or lower classification rather than being laid off shall receive the salary rate of the classification to which he/she is being transferred.
- 7:10.1 An employee who does not exercise his/her right to be transferred to a lower classification shall be laid off and is eligible only for recall to the classification from which he/she was laid off.
- 7:11 Recall
- 7:11.1 Employees, except as provided in Section 7:10.1 shall be recalled in seniority order according to the classification from which they were laid off and/or lower classifications.
- 7:12 Refusal of an employee to accept the position within five (5) days of the date of the certified notice and then to report to work within five (5) days of that decision, except in cases of emergency where extensions are granted by the Director of Personnel, will relieve the Board of further obligation to offer re-employment.
- 7:13 Employees who are laid off shall be automatically placed on the recall list for a period equal to their length of service but not to exceed two (2) years. To remain on the recall list for a second year the employee must respond to the written notification sent to him/her by the District at the end of one year. Failure to respond to that notification in writing shall eliminate the employee from the recall list.
- 7:14 Time lost by an employee laid off under the provisions of this article who is subsequently recalled under provisions of this article shall not be considered to interrupt continuous service; but such time shall not be counted toward additional service or be a criterion for holiday, vacation, pay, or other benefits as set forth in this Agreement.
- 7:15 Employees who are eligible for recall must keep the school district informed in person or by certified mail of any changes in their address. If notice is in person, the individual shall be given written acknowledgment of the change of address.

- 7:16 Employees on Board approved leaves of absence shall be subject to the layoff provision of this article.
- 7:17 The parties agree that as long as there are persons on a recall list, vacancies will be filled by using the recall list for such classifications rather than the procedures in Article 8.

ARTICLE 8 TRANSFERS AND PROMOTIONS

- 8:1 Notices for permanent vacancies and temporary vacancies (vacancy that is not permanent but is expected to be vacant for a period in excess of 6 months) within the bargaining unit, except for entry level positions (custodian), shall be posted in each building in the District as such occur and a copy of each posting shall be sent to the Union President. Notices shall be posted seven (7) calendar days prior to the application deadline. No permanent appointment shall be made until after the dead line for filing applications. Entry-level employees may request to be transferred to another location. The District will provide an electronic online form for all custodial staff to complete. This is the only acceptable method for submitting a request. The request to be considered must be on file at least fifteen (15) days prior to the effective date of the vacancy and will be kept on file until the end of the fiscal year in which it is filed; if an employee is offered a transfer and refuses, he/she shall not receive any further consideration until the next fiscal year; persons who request transfers shall be selected for transfer in accordance with Section 8:3 and 8:4 of this Article. The positions will be filled, if possible from those seeking a lateral transfer and, if not possible, from those seeking promotion. If qualified employees apply then, the position would be filled in twenty (20) calendar days from the close of the application deadline.
- 8:2 The written notice of a vacancy shall contain:
- (a) type of vacancy;
 - (b) position description;
 - (c) location and shift; *(to be determined prior to interview)*
 - (d) starting date;
 - (e) qualifications;
 - (f) salary; and

(g) other relevant information.

8:2.1 The written notice set forth for a particular position shall not be substantively changed after posting.

8:2.2 All new hire positions will require a basic skills test and/or specific skills test depending on the level of the position. Applicants are required to pass the test with at least 70% to be eligible for interviews. The District and the Union must mutually agree on the basic skills test that will be used. This could include re-evaluation of the agreed upon cut score if necessary. The interview committee may use scores on additional skill tests as a factor in the interview. Applicants whose temporary upgrade service in the position they are seeking was satisfactory for 30 consecutive days shall be credited with five (5) percentage points toward their basic skills test.

8:3 Employees who desire a transfer to a posted position may apply as specified in the posted notice. The decision on transfer requests shall be determined by the following criteria which are listed according to priority:

- (a) qualifications based upon evaluations, experience, and additional custodial or maintenance schooling;
- (b) seniority; and
- (c) other relevant factors.

8:4 Where qualifications and other relevant factors are substantially equal, and where the requirements of the District's affirmative action plans do not dictate to the contrary, the employee having the most seniority shall be granted the transfer.

8:5 If an employee is denied a transfer, he/she will be advised in writing and will be given written reasons upon written request of the employee.

8:5.1 An employee must have one year (12 months) of continuous service in the District to be eligible to apply for transfer. Any employee who is granted a transfer may not apply for another transfer within one year (12 months).

8:6 Involuntary Transfer

8:6.1 Although the Board and the Union recognize that involuntary transfer(s) of employees may be disruptive to employees, they also recognize that such transfers are sometimes necessary.

8:6.2 Notice of at least seventy-two (72) hours of a proposed involuntary

transfer or reassignment shall be given to the employee involved unless unusual circumstances exist.

8:6.3 An employee may request a meeting with his/her supervisor or other appropriate administrative official or designee, accompanied by his/her steward, to discuss the transfer.

LEAVES OF ABSENCE

ARTICLE 11

Leaves of absence, including sick leave and absences for other reasons, shall be according to Delaware State Law. A summary of State Law is placed at the end of this Agreement.

A physician's statement certifying the medical justification for an employee's absence will not normally be requested for less than three days consecutive absence; however, should there be an attendance pattern which appears to warrant it, an employee shall be notified in writing that a physician's certificate will be required for all future absences that are to be charged to sick leave. A copy of such notice shall be sent to the Union. This certificate requirement will be reviewed each six months following such notification.

Extended Leaves of Absences

A leave of absence without pay and without credit for experience toward salary computation, seniority or pension eligibility or computation of up to one (1) year shall be granted for the purpose of caring for a critically ill member of the employee's immediate family. Additional leave, for (1) additional year only, may be granted upon recommendation of the Superintendent and approval by the Board.

Any employee adopting an infant (up to one year old) may receive a leave without pay which shall commence upon receiving a de facto custody of said infant, or earlier if necessary to fulfill the requirements for the adoption.

Any employee elected or appointed to a permanent office in the American Federation of State, County and Municipal Employees, AFL-CIO shall be granted a leave of absence without pay for a period of one (1) year. Such leave shall be renewable for up to one (1) additional year upon application of the individual and upon recommendation of the Superintendent and approval of the Board. Such leave shall be granted to not more than two (2) employees at any time, and the leave holder shall continue to accumulate seniority.

The employee on extended leave, paid or unpaid, shall notify the Board by certified mail, return receipt requested, no less than sixty (60) days prior to his/her intention to return to or resign from his/her position in the District. Failure to provide notification prior to this deadline of intention to return from leave will serve to convert the leave to a resignation. This notification does not apply to return from sick leave.

At the end of an extended leave, the employee shall be assigned to the same or a similar position to the one from which leave was granted in accordance with his/her seniority.

Additional leaves of absence for other reasons may be considered on an individual basis.

Employees on unpaid leaves of absence shall be able to continue to participate in Board sponsored group benefit programs at their own expense provided the company providing such benefits agrees.

Unpaid leaves of absence shall not constitute a break in continuous service but neither shall such leave time be credited toward seniority in the District or be a criterion for holiday, vacation, pay, or other benefits, as set forth in this Agreement.

Employees shall be granted a leave of absence with pay any time they are required to report for jury duty or jury service. An employee shall be paid the difference between any jury duty compensation they

receive and their regular wages for each day of jury service. Evidence of such service, including a note indicating compensation for such service, shall be provided to the employer. The employee is expected to report for work whenever practical while on jury duty.

Employees shall be entitled to the following temporary non-accumulative leave with full pay each year:
1. In addition to state provided personal leave, the District will provide that when an employee is required to attend a legal proceeding as a party or is subpoenaed as a witness such absence shall not be charged against sick leave if:

- a) the legal proceeding relates to school matters and the employee's presence as a party or witness is not caused by any fault or misconduct on the part of the employee as determined by the outcome of this proceeding; or
- b) the legal proceeding involves a matter of public interest, as distinguished from a private dispute, and the appearance of the employee as a witness in said proceeding may properly be considered to be the discharge of a civic responsibility.

Any employee on maternity leave shall be permitted to substitute in the District.

It is the employee's responsibility to report his/her inability to be on duty at as early an hour as is practical, in the manner prescribed by his/her administrative officer. Failure to comply with this section may subject the employee to discipline.

Employees will be provided an annual record of their sick leave balance.

Union Business

Leaves with pay will be granted to up to two (2) delegates for up to five (5) days each to attend the biennial AFSCME International Convention. Proper notification must be given to the Director of School Facilities or designee and names of individuals attending.

Leaves with pay will be granted to up to four (4) delegates for up to one day each to attend the annual Council 81 Convention.

Leaves with pay will be granted to up to four (4) delegates for up to one day each to attend the biennial Delaware State Labor Council Convention.

Up to ten (10) days leave with pay will be granted annually to the local Vice-President or a person designated by the local Vice-President to perform his/her official union functions. Proper application procedures must be followed to be released for this purpose.

In recognition of the above, it is agreed that the work normally performed by such absent persons will be assumed by other members of the bargaining unit.

Delaware Code, TITLE 29

CHAPTER 52A. DISABILITY INSURANCE PROGRAM

§ 5253. Specifications of the coverage.

(a) Participating employees shall be eligible to utilize earned sick leave for absences due to accident, illness, or injury for periods before disability benefits commence under this chapter, such that the

Appendix C – (cont'd)

participating employee receives 100% of creditable compensation for such periods, not to exceed the employee's sick leave balance.

(b)(1) Short-term disability benefit. -- An employee who is determined by the Committee, in its sole discretion, to be mentally or physically unable to perform the essential functions of the employee's position as defined in rules and regulations adopted by the Committee, with reasonable accommodation as required by federal law, shall be entitled to receive short-term or long-term benefits pursuant to this chapter. An employee who receives short-term or long-term disability benefits pursuant to this chapter may be required, in the sole discretion of the Committee, to participate in rehabilitation or retraining services, or a combination thereof, under a program established by the Committee. Short-term disability benefits for participating employees shall commence upon the expiration of a 30-calendar-day elimination period. Such elimination period shall begin on the first day following the onset of physical or mental incapacity as determined by the Committee, in its sole discretion. If an employee returns to work for 1 day or less during the 30-calendar-day elimination period but cannot continue to work thereafter, the period worked shall not be considered to have interrupted the 30-calendar-day elimination period. The elimination period must commence and conclude within normal working periods for employees who work less than 12 months per calendar year.

(2) Except as provided in paragraph (4) of this subsection, short-term disability benefits pursuant to this chapter shall be payable at the rate of 75% of the participating employee's creditable compensation prior to the onset of the disability during the period that an employee is disabled, as determined by the Committee.

(3) Creditable compensation during periods an employee receives short-term disability benefits shall include general salary increases awarded or reductions in salary instituted during the period of short-term disability coverage.

(4) An employee may utilize annual, sick, compensatory, or donated leave to supplement short-term disability benefits to equal 100% of pre-disability creditable compensation for the maximum period of 182-calendar-days.

(5) If a participating employee returns to the employee's position on a full-time basis, as defined by the Committee, for 15 consecutive calendar days or longer, any succeeding period of disability for which the employee shall become eligible shall constitute a new period of short-term disability with a corresponding 30-calendar-day elimination period.

(6) Employees enrolled in and receiving short-term disability (STD) compensation shall receive a maximum of 100% of base pay. If the employee is otherwise eligible for holiday pay or a paid leave other than identified in paragraph (b)(4) of this section, the employee will be granted 100% pay on the day in question without a residual. All leave supplements will be calculated on a pay period basis.

(7) Once an employee exhausts their elimination period, the employee will be deemed to have applied for benefits under this section and shall not be eligible to utilize paid leave in lieu of application for short-term disability.

(8) When an employee is on approved STD per subsection (b) of this section and does not supplement the 75% STD payment with 25% leave for a period of greater than 30 calendar-days, the employee will accrue leave on a pro-rata basis.

(c)(1) Long-term disability benefit. -- Long-term disability benefits for participating employees shall commence upon the expiration of a 182-calendar-day waiting period. The waiting period shall commence on the first day following the onset of the disability as determined by the Committee, in its sole discretion. If an employee returns to work for 14 or fewer consecutive calendar days during such 182-calendar-day waiting period and cannot thereafter continue to work, the periods worked shall not be deemed to have interrupted the 182-calendar-day waiting period.

(2) Long-term disability benefits for an eligible employee shall be paid in an amount equal to 60% of the participating employee's creditable compensation prior to the onset of the disability. In no event shall the employee be entitled to utilize earned sick leave to supplement long-term disability benefits.

(3) Long-term disability benefits shall not include general salary increases during the period of long-term disability. Long-term disability benefits may be increased annually by an amount approved by the Committee.

(4) Any employee who applies for long-term benefits pursuant to this chapter must apply to the Social Security Administration for disability benefits. Long-term disability benefits provided under this chapter shall be reduced by any disability benefits received from the Social Security Administration.

(5) Upon the exhaustion of the maximum short-term disability benefit period, any employee, except those entitled to hazardous duty pay as defined in § 5933(c) of this title, shall no longer be an employee of the State or any of its political subdivisions provided the employee has exhausted their Family Medical Leave Act of 1993 (FMLA) [26 U.S.C. § 2601 et seq.] entitlement and/or is not FMLA eligible. Employees entitled to hazardous duty pay as defined in § 5933(c) of this title who exhaust the maximum short-term disability benefit period shall no longer be an employee of the State or any of its political subdivisions at the end of their entitlement to hazardous duty pay provided the employee has exhausted their FMLA entitlement and/or is not FMLA eligible.

(6) Prior to the commencement of long-term disability benefits, the employee shall be eligible to make a written election to escrow for a period of 6 months any unused annual and sick leave based on the rules in place by the employing organization. Any employee who does not make a written election to escrow unused annual and sick leave will receive a payoff of unused annual and sick leave under § 5253(c)(5) of this title. Any employee approved for long-term disability benefits and who made a written election to escrow unused annual and sick leave who returns to state employment in a full-time benefit eligible position within the 6-month escrow period and works on a full-time basis for at least 30 calendar days will retain their annual and sick leave balances. Any employee making a written election to escrow unused annual and sick leave who does not return to state employment in a full-time benefit eligible position for at least 30 calendar days within the 6-month escrow period will receive a payoff of unused annual and sick leave at the end of the 6-month escrow period based on the rules in place by the employing organization.

§ 5257. Return to work.

(a) Once an employee has been determined to have the ability to return to employment by the Committee, the employee will receive the following assistance:

(1) Merit employees may be placed in any vacant merit position, for which they qualify, by the Office of Management and Budget.

(2) Nonmerit state employees, and employees from nonstate employers will be placed by that employer into a vacant position within their respective agency for which the employee qualifies.

(b) Once an individual has been determined to have the ability to return to employment by the committee, the individual will receive the following assistance:

(1) Former merit employees enrolled in and previously deemed eligible for the Long-Term Disability Program may, when available and appropriate, be placed by the Office of Management and Budget in any merit position, for which they qualify without a certification list, as long as the paygrade does not exceed their paygrade at the time of their acceptance into and eligibility for the Short-Term Disability Program. Exceptions to the paygrade limitation may be made for vacancies for which a documented shortage of qualified applicants exists.

(2) Former nonmerit employees enrolled in and previously deemed eligible for the Long-Term Disability Program will be placed by their previous employer into a vacant position within their respective agency for which they qualify.

1. CHAPTER 55. State Employees Disability Pension Plan (Applicable only to employees that were grandfathered into the State Employees' Disability Pension plan as of December 31, 2005.)

§ 5524. Eligibility for disability pension.

(a) An employee who becomes disabled shall become eligible to receive a disability pension beginning with the fourth month following the inception of his or her disability. Such individual shall cease to be eligible at the end of the month in which he or she recovers from disability and is again offered employment as an employee, if such recovery and offer of employment occurs before his or her attainment of age 60.

(b) Such an employee shall be kept on the active payroll and receive credited service from the inception of the employee's disability to the end of the third month following and shall receive payments at the same rate of compensation the employee received before the employee became disabled.

(c) An employee shall be deemed disabled for the purposes of this section if the employee has a physical or mental disability which prevents the employee from performing the duties of the employee's position.

Delaware Code, Title 14

§ 1318. Sick leave and absences for other reasons; accumulation of annual leave.

Statute text

- a) Teachers and other school employees shall be allowed 10 days of sick leave per year with full pay; those teachers and other school employees employed 11 months a year shall be allowed 11 days of sick leave per year with full pay; and those teachers and other school employees employed 12 months a year shall be allowed 12 days of sick leave per year with full pay. Any unused days of such leave shall be accumulated to the employee's credit without limit.

Adjustments for employees who terminate services prior to the end of the school year will be made in their final pay check. Adjustments will be pro-rated based on sick leave being earned at the rate of one (1) day per month of service to the District.

- b) In the case of a death in the immediate family of the employee, there shall be no reduction of salary of said employee for an absence not to exceed 5 working days. Members of the immediate family shall be defined as the employee's spouse or domestic partner; parent, stepparent or child of the employee, spouse or domestic partner; employee's grandparent or grandchild; employee's sibling; spouse of employee's child; any relative who resides in the same household; or any minor child for whom the employee has assumed and carried out parental responsibilities. This absence shall be in addition to other leaves granted the employee.
- c) In the case of a serious illness of a member of the employee's immediate family, as defined in subsection (b) of this section that requires the employee's personal attention, an employee may use accrued sick leave. An employee needing sick leave under the provisions of this title shall inform his/her immediate supervisor of the fact and reason in advance, when possible, or otherwise before the expiration of the first hour of absence or as soon thereafter as practicable; failure to do so may be cause for denial of pay for the period of absence. Before approving pay for sick leave, the supervisor may at his/her discretion require either a doctor's certificate or a written statement signed by the employee setting forth the reason for the absence. In the case of an absence of more than 5 consecutive days, a doctor's certificate is required as a condition of approval.
- d) In case of the death of a near relative, there shall be no deduction in the salary of the employee for absence on the day of the funeral. A near relative shall be defined as: First cousin, aunt, uncle, nephew, brother-in-law or sister-in-law. This absence shall be in addition to other leaves granted the employee.
- e) In the case of the observance of recognized religious holidays, an employee may be absent without loss of pay on no more than 3 calendar days per year. The days so lost are to be counted in the sick leave of the employee.
- f) An employee may be absent without loss of pay no more than 3 days per fiscal year for personal reasons of the employee. Such absences shall be included in the sick leave of the employee. Such absences must be approved by the Chief School Officers. In addition, the district requires that such requests must be submitted at least ten (10) days in advance of the date being requested except in cases of emergency in which case the employee shall provide the reason(s) for being unable to provide the ten (10) day notice.

§1318A. Donated leave program.

- (a) "Donated leave program" means a program:

(1) In which 1 or more employees of a public school district may transfer accrued, unused sick leave days to 1 or more other employees of the same public school district;

(2) Is established by the public school district as a local Board of Education policy and/or pursuant to the terms of a collective bargaining agreement negotiated under the terms of Chapter 40 of Title 14; and

Appendix C – (cont'd)

(3) Is consistent with the provisions set forth in subsection (b) of this section. No donated leave program shall prohibit participation by employees based on inclusion in or exclusion from a certified bargaining unit.

(b) Any donated leave shall be required to comply with the following requirements:

(1) Employees wishing to donate accrued sick leave must donate in increments of whole days. For every 2 days donated, 1 day will be made available to a recipient.

(2) Donated days shall be made available only for recipients within the school district for a catastrophic illness of a recipient or of a member of a recipient's family. For this section, "catastrophic illness" shall mean any illness or injury to an employee or to a member of an employee's family which is diagnosed by a physician and certified by the physician as rendering the employee or a member of the employee's family unable to work, or, in the case of a family member who does not work, the medical equivalent of "unable to work", to work for a period greater than 5 calendar weeks. Separate periods of disability lasting 7 consecutive work days or more each, and totaling more than 5 calendar weeks, resulting from the same or a related medical condition and occurring within any 12-month consecutive period, shall be considered the same period of disability. For this section, "family member" or "member of an employee's family" means an employee's spouse, son, daughter or parent who resides with the employee and who requires the personal attendance of the employee during the family member's catastrophic illness. Donated leave may be used by the recipient for subsequent absence because of personal medical treatments or personal illness directly related to the employee's "catastrophic illness" as certified by the physician. This provision is limited to an absence that occurs because of an employee's "catastrophic illness" not a family member's "catastrophic illness."

(3) The local school district shall convert the donated leave available for use by a recipient into cash value at the donor's rate of pay, shall re-convert the cash value to hours of leave at the recipient's rate of pay, and shall then credit the recipient's account.

(4) The recipient of the donated leave shall have been an employee with the local school district for at least 6 months before that employee is eligible for donated leave time.

(5) The recipient shall have used all of that recipient's own sick days and personal days and half of that recipient's annual leave, where applicable. However, when donated leave is for the catastrophic illness of a family member, the employee must have used all of that employee's sick days, personal days and annual leave.

(6) The recipient shall have established medical justification for such receipt, which must be renewed every 30 days during any absence.

(7) No potential donor nor any other person shall sell any accrued leave which might otherwise be donated under this section.

(8) The liability of the State under this program shall be limited to paying the state share of salary, benefits and other employment costs paid to employees for sick leave properly utilized pursuant to a donated leave program established pursuant to and in compliance with this section and § 4002 of Title 14, if applicable.

(9) Any recipient of this program is subject to a 1-work-year cap with the number of days equal to 188 days for a 10-month employee; 207 days for 11-month employees; and 222 days for a 12-month employee.

(10) If a long-term disability program is available to employees, a period of disability defined herein shall be limited to the waiting or elimination period defined in the policy.

(c) The Department of Education is authorized to operate a donated leave program. Such donated leave program shall conform, to the extent practicable, to the provisions of § 5956 of Title 29.
