# You scored 71.49 %

## OPPORTUNITIES FOR GROWTH

Your school scored 71.49 % on the School Health Index. This score was determined based on your responses to specific School Health Index questions that measure best practices related to the Whole Child. Questions where your school scored a 0 or 1 are identified below. Focus your school health efforts on these areas to ensure your school provides a school environment where students are healthy in body and mind.
