

Brandywine Springs School

Thank you for completing Action for Healthy Kids' School Health Index. This report summarizes your responses and identifies opportunities for growth. Review this report with your school health team and use the information to prioritize your school's health and wellbeing.

Looking to improve your school's SHI score?

Check out [AFHK's Resource Library \(https://www.actionforhealthykids.org/game-on-activity-library/\)](https://www.actionforhealthykids.org/game-on-activity-library/) for ideas, strategies, and activities to create a healthier school environment today!

Brandywine Springs School SHI RESULTS

MyScore: Dark Blue | Total Score: Light Blue | State Average Score: Orange | District Average Score: Green

You scored 67.98 %

OPPORTUNITIES FOR GROWTH

Your school scored 67.98 % on the School Health Index. This score was determined based on your responses to specific School Health Index questions that measure best practices related to the Whole Child. Questions where your school scored a 0 or 1 are identified below. Focus your school health efforts on these areas to ensure your school provides a school environment where students are healthy in body and mind.
