MARCH 2024

MTSS (Multi-Tiered System of Support) – formerly known as PBIS

Welcome back to a new school year! We will be focusing our efforts this year on the Multi-Tiered System of Support (formerly known as PBIS) in order to promote school improvement. MTSS is a method of intervention that helps students by supporting them using research based academic and behavioral practices, as well as social and emotional learning. It helps to ensure that students know and understand the school expectations and core values. Students will continue to earn First State “cash” known as FS Cash to be used to participate in various events/activities throughout the school year.

January was a fun month for the students, as they had the pleasure of pieing their teachers and staff in the face. The students also got to participate in some fun games. The MTSS event for the month of February was a trip to Christiana mall. Students got to shop around and enjoy a nice meal in the food court. For the upcoming event in March, students will enjoy a movie and some snacks.
