

# FIRST STATE SCHOOL MONTHLY NEWSLETTER

## MAY 2024

### MTSS (Multi-Tiered System of Support) – formerly known as PBIS

Welcome back to a new school year! We will be focusing our efforts this year on the Multi-Tiered System of Support (formerly known as PBIS) in order to promote school improvement. MTSS is a method of intervention that helps students by supporting them using research based academic and behavioral practices, as well as social and emotional learning. It helps to ensure that students know and understand the school expectations and core values. Students will continue to earn First State “cash” known as FS Cash to be used to participate in various events/activities throughout the school year.

During the month of April, students got the chance to experience free electronics and watch a movie. They also enjoyed some ice cream sundaes with some tasty toppings, such as chocolate syrup, caramel, whipped cream and sprinkles. For our last MTSS event during the month of May, we will be bringing out the Cajun Sno truck. The students will get to enjoy some refreshing snow cones.
