

Skyline School-Wide Binder Project:

Organization is an important skill in school and other aspects of life. The Skyline Binder is a tool used to assist students with maintenance and organization of class notes and assignments. Students are expected to carry the binder daily, which will be provided by Skyline at the start of the year. Students will be expected to keep it organized and maintained on a consistent basis using the strategies that will be taught by the Skyline Staff.

*Each student will be provided a 2" three-ring binder and color tab subject dividers, composition book and a Student Daily Pass Booklet.

*Families will need to provide the following items for each student:

- Three-hole punched pencil pouch
- Two or more pens
- Two or more pencils
- One or more highlighters
- Colored pencils
- Filler paper (three hole punched)

Please note that additional items may be required for specific classes. Students will be advised of additional requirements, if applicable, during the first week of the 2022-2023 school year.
