

PHYSICIAN'S FORM FOR SUPPORTIVE INSTRUCTION SERVICES (HOMEBOUND)

Homebound "Supportive Instruction" is an alternative educational program provided at home or related site for students temporarily at home for a sudden illness, injury, episodic flare up of a chronic condition or accident considered to be of a temporary nature.

Request due to a **MEDICAL CONDITION**: This form MUST be completed by a Physician, or an Advanced Practice Nurse or Physician Assistant who is employed by or who has a collaborative and/or written agreement with a licensed physician.

Request due to a **SEVERE ADJUSTMENT PROBLEM**: This form MUST be completed by a Psychiatrist or Psychologist **AND** confirmed through a staff conference.

STUDENT'S NAME: _____ D.O.B.: _____

Grade: _____ SCHOOL: _____

Are you currently treating the student? Yes _____ No _____

Student's Diagnosis: _____

Explain why this medical condition prevents the student from attending school: _____

Does this illness or injury confine the student to home? ___yes ___no

The student will be unable to attend school for approximately _____ weeks. Homebound will be approved for no longer than 8 weeks. An updated Physician's Form is required for consideration of an extension.

What supportive medical/therapeutic services are occurring that will facilitate the student's return to school? *Describe who is providing the service and the frequency.* _____

By completing this form, you understand that:

- Homebound is provided only when a student has a medical necessity to be out of school.
- Homebound is not intended to take the place of a full class schedule. Homebound services provide instruction in core content courses (English, Math, Social Studies and Science).
- Parents are asked to authorize a release of medical information so that you may share information related to the child's diagnosis with the school nurse or RCCSD Homebound Coordinator.
