## April 2023

### MTSS (Multi-Tiered System of Support) – formerly known as PBIS

Welcome back to a new school year! We will be focusing our efforts this year on the Multi-Tiered System of Support (formerly known as PBIS) in order to promote school improvement. MTSS is a method of intervention that helps students by supporting them using research based academic and behavioral practices, as well as social and emotional learning. It helps to ensure that students know and understand the school expectations and core values. Students will continue to earn First State “cash” known as FS Cash to be used to participate in various events/activities throughout the school year.

In the month of March, the students enjoyed a movie and snacks for MTSS. The elementary watched Strange World, while the middle school class watched Rise. The high school students watched Remember the Titans. During the month of April, the students will be enjoying some snacks from the snack cart and going on a trip to Bowlerama to enjoy some fun bowling.
