I agree to the following:

- 1. Ability to Participate. I am physically able to take part in Special Olympics activities.
- 2. Likeness Release. I give permission to Special Olympics, Inc., Special Olympics games organizing committees, and Special Olympics accredited Programs (collectively "Special Olympics") to use my likeness, photo, video, name, voice, words, and biographical information to promote Special Olympics and raise funds for Special Olympics.
- 3. **Risk of Concussion and Other Injury.** I know there is a risk of injury. I understand the risk of continuing to play sports with or after a concussion or other injury. I may have to get medical care if I have a suspected concussion or other injury. I also may have to wait 7 days or more and get permission from a doctor before I start playing sports again.

4.	Emergency Care. If I am unable, or my guardian is unavailable, to consent or make medical decisions in an emergency,
	I authorize Special Olympics to seek medical care on my behalf, unless I mark one of these boxes:
	I have a religious or other objection to receiving medical treatment. (Not common.)
	I do not consent to blood transfusions. (Not common.)
	(If either box is marked, an EMERGENCY MEDICAL CARE REFUSAL FORM must be completed.)

- 5. Overnight Stay. For some events, I may stay in a hotel or someone's home. If I have questions, I will ask.
- 6. **Health Programs.** If I take part in a health program, I consent to health activities, screenings, and treatment. This should not replace regular health care. I can say no to treatment or anything else at any time.
- 7. **Personal Information.** I understand that Special Olympics will be collecting my personal information as part of my participation, including my name, image, address, telephone number, health information, and other personally identifying and health related information I provide to Special Olympics ("personal information").

 - using my contact information for communicating with me about Special Olympics.
 - sharing my personal information confidentially with (i) researchers such as universities and public health agencies that are studying intellectual disabilities and the impact of Special Olympics activities, (ii) medical professionals in an emergency, and (iii) government authorities for the purpose of assisting me with any visas required for international travel to Special Olympics events and for any other purpose necessary to protect public safety, respond to government requests, and report information as required by law.
 - I have the right to ask to see my personal information or to be informed about the personal information that is processed about me. I have the right to ask to correct and delete my personal information, and to restrict the processing of my personal information if it is inconsistent with this consent.
